

ConnectEd Parent Portal User Guide - Bawlf School

- Choose either the Elementary/Jr High or High School link located on the **Bawlf School** homepage at <http://www.brsd.ab.ca/bawlf>. Families with children in both elementary/junior high AND high school must ensure they enter the portal using the link applicable to their specific child in order to access achievement information.

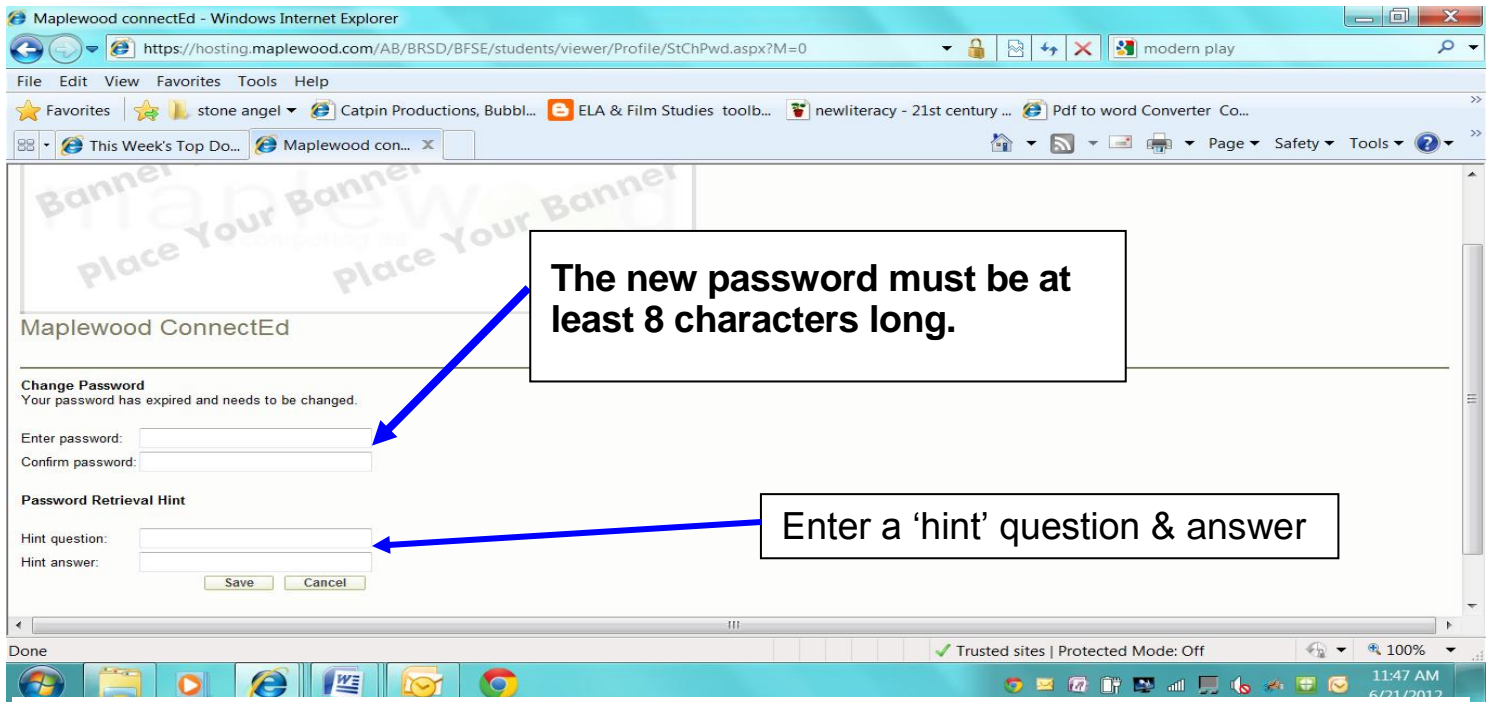

Your login name is a character (P/G for parent/guardian) followed by a period (.) and then followed by your child's surname. *Some logins may also have a number following the surname.*

Example: M.Smith or J.Jones2

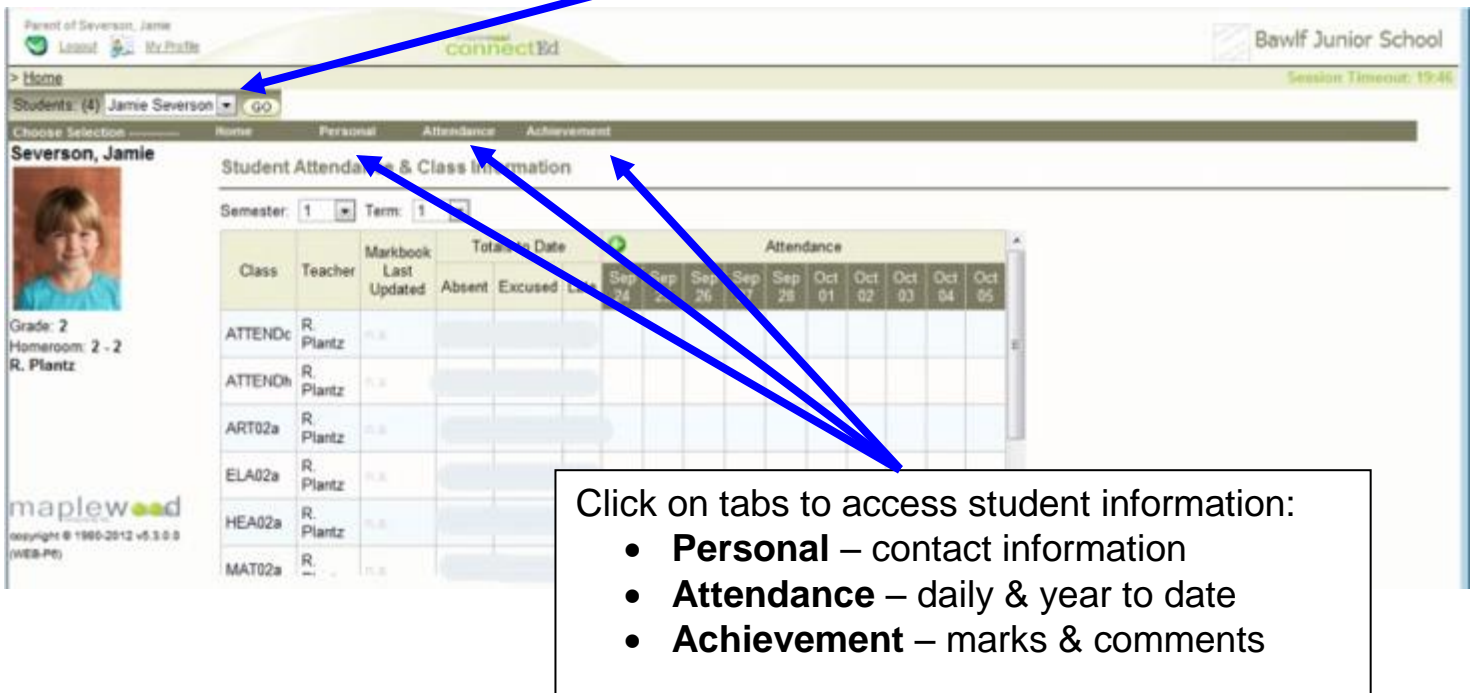

You will be required to change your password on your first login – this is for your own security.

Please write this password down, as it is confidential and created by you.

Once in the program, parents with more than one student will have to choose a student from a pull-down menu and choose the 'GO' icon to see that child's information.

Gradebook Information - Achievement Tab

- Choose the 'class' (course of study) and the 'term' (reporting period)
