## Administration Notes ~ *from Mr. Chanasyk*

So many things going on! Field trips, activity days, projects, assemblies, thank you to all staff for planning these great events and to all parent volunteers for helping out! These don't happen without staff and family support.

It was great to see many families at our elementary field day and at our School Council meeting. Thank you for your support and especially to all the volunteers who helped with the lunch! Thank you to Central Agencies for the sponsorship and to Bawlf Rec for the BBQ. To all the parents who helped with hot lunches throughout the year, thank you! And a huge thanks to Trudi Duheme for organizing all of it!!

As the year comes to a close, we would like to wish a huge thank you to Mrs. Brusse who joined our staff as an EA in February. Her skills and contribution to our school culture will be missed.

As mentioned earlier, we have hired Mrs. Mary Prescesky to help split our Grade 6 class, and we welcome back Mrs. Johnson who will continue to fill in for Mrs. Donohue. We also like to welcome Mrs. Magnan who will be joining us as an EA for our ECS program. Welcome!

Please remember to check our website as information will be posted on there for the startup in September. Class supply lists will be posted as well as the school calendar and the bell schedule. Later in the summer, the website will be updated to reflect any changes that will affect the student body. There will be a move-in day for our ECS students on September 1<sup>st</sup>.

On a personal note, I would like to thank everyone in our Wildcat community for their support. The school's number one priority is learning in many ways - academically, socially, and personally - and learning does not happen without good relationships. Trusting and building these relationships can be hard, but they are absolutely necessary. Our staff, students, and community are awesome - I have said that from the very beginning. But this does not happen without the trust and support of relationships. Know that Bawlf School is a great school, not because of the building, but because of the people. No matter what, please trust each other and continue to build those relationships. Staff, students, and families, I wish you all the best, and keep striving in the quest for Achieving Excellence. "Do the best you can until you know better. Then, when you know better, do better."  
Maya Angelou

Go Wildcats!

Best wishes,  
Mr. Chanasyk

🐾 **Grade 1 field trip** ~ On Friday, June 2nd, we went to Miquelon Lake Provincial Park. It was a warm and sunny day. We had fun in the Animal Senses program. We went on a nature walk and played games to learn how animals use their senses. After lunch we had some free play time at the park. It was a great day and we learned a lot about the animals around Miquelon Lake and how they use their senses!

Thank you very much to the Bawlf Recreation Association for the generous donation of this wonderful learning experience.

🐾 **Grade 3, 3/4, & 4 field trip** ~ by Ms. Ortman ~ Grade 4s, 3/4s, and 3s had a great time exploring the Telus World of Science this month! We got to build roller coasters and watch the "Legends of the Northern Sky" presentation in the Zeidler Dome as well. Thank you to BEST for supporting this field trip and thank you to all who supervised and helped to organize.

🐾 On June 21st, National Indigenous Peoples Day, Grades 1 - 6 took part in a virtual presentation where artist Elizabeth Buller Page (member of Treaty 6 Mistawasis Nehiyawak), country musician Mat Cardinal (Bigstone Cree Nation, Wabasca/Demarais, AB) and Metis athlete Bryan Trotter (seven-time Stanley Cup winner and best selling author) shared stories and art, as well as a live music performance with students.

🐾 **Elementary fun** ~ by Ms. Ortman ~ On Friday, June 23 all elementary students will participate in a school-wide treasure hunt to celebrate X Day (X Marks the Spot Day) of our ABC Summer Countdown! A few other highlights of our ABC Countdown included B - Bawlf School Colours Day, F - Future Day (dress like the job you want when you grow up!), I - Ice Cream Day, and P - Physical Activity Day (Track Meet!). Not many more letters left now!

🐾 **Elementary Track and Field Day** ~ by Mrs. Konrad and Mrs. Matthews ~ Our Elementary Track and Field Day was a huge success. There was lots of fun to be had and the students all did great. A huge thank you to all of our parent volunteers for helping lead a group. We could not have had as many stations without you taking on this role. Also a big shout out to our student leadership class who led the stations and were R.E.A.L. Leaders for our elementary students. We would also like to thank Bawlf Recreation Association for their generosity and sponsoring the ribbons and prizes. Look forward to next year's event.

Please note that meetings are open to all parents/guardians that would like to attend. Our first meeting back will be on September 18 @ 7pm.

We would like to thank the Bawlf Lion's Club for providing a hamburger lunch once again to all our students and staff on June 8th. Thank you to Central Agencies in Camrose for donating all of the food for our Year End Picnic which was held on June 13th. Thank you to the Bawlf Recreation Association for the use of their BBQ.
