# Advice From Parents

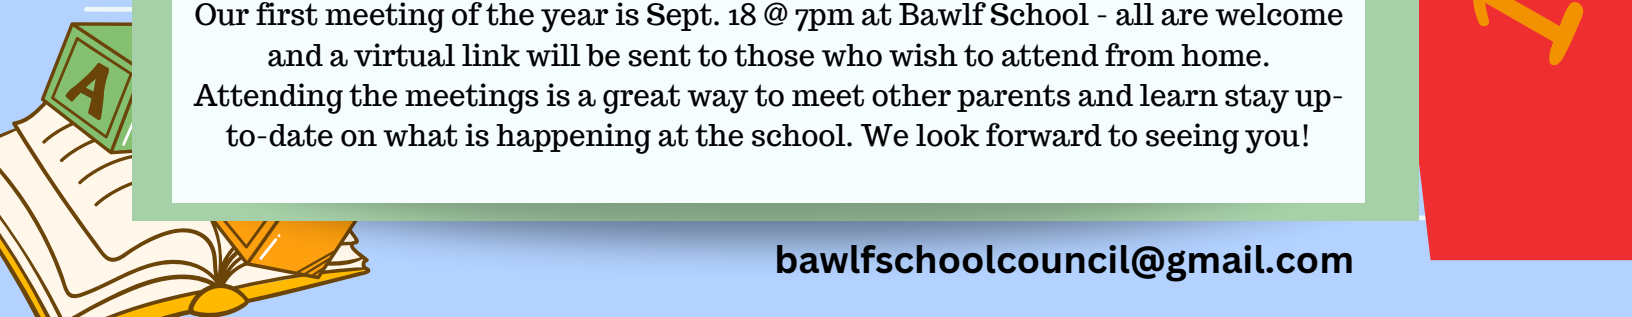

"Check out the school website for all school info"

"Get involved in the school - it's a great way to meet parents and stay up to date"

"Mrs. Thomsen is amazing at helping and answering questions!"

"Send a stuffy or picture of your family if your child misses their family"

"Sometimes the first day is harder on us than the kids"

The Bawlf School Parent Council's purpose is to advise the principal and the school board on matters relating to the school. It is a means for parents and community members to work together with the school to support and enhance student learning and wellness. You can stay up-to-date by following us on Facebook at "Bawlf School Council" or reading our updates in the bulletin. Our first meeting of the year is Sept. 18 @ 7pm at Bawlf School - all are welcome and a virtual link will be sent to those who wish to attend from home. Attending the meetings is a great way to meet other parents and learn stay up-to-date on what is happening at the school. We look forward to seeing you!
